----------	--

Learning Outcomes

The students who have succeeded in this course;

- 1) Students will be able to understand the texts on the subjects that require specialization and technical terms without any effort, with the help of the dictionary.
- 2) Students will be able to read the complex texts in both abstract and concrete subjects and understand the main idea.
- 3) Although there may be difficulty in frequently used words and idioms, students will be able to benefit from comprehensive vocabulary context.
- 4) Students will be able to understand essays and reports on current topics that reflect the argument and perspective of the authors.
- 5) Students will be able to communicate to a certain degree fluently and naturally without having major difficulty with a native French speaker.
- 6) Students will be able to articulate verbally or in writing in a variety of subjects both in detail and comprehensibility.

Course Flow Plan

Week	Subject	Related Preparation
