Semester:	Fall
Course Credits:	ECTS 5
Language of instruction:	English
Course Condition:	DIL643 - Arabic 3
Does the Course Require Work Experience?:	No
Type of course:	University Elective
Course Level:	Bachelor / TR-NQF-HE:6. Master`s Degree / QF-EHEA:First Cycle / EQF-LLL:6. Master`s Degree
Mode of Delivery:	E-Learning
Course Coordinator:	Öğr. Gör. MERVE KESKİN
Course Lecturer(s):	Öğr. Gör. NOORHAN QASIM MOHAMMED AL-ANI
Course Assistants:	

Course Objective and Content

Course Objectives:	This course aims to improve beginner students' basic Arabic grammar and communication skills. Specifically, it focuses on teaching the use of modern Arabic in daily life while improving students' reading, writing, listening, speaking and vocabulary skills.
Course Content:	This course covers improving basic effective communication skills through reading, writing, speaking and listening. It also covers cultural beliefs, values and various aspects of everyday life

in Arabic speking countries.

Learning Outcomes

The students who have succeeded in this course;

1) Students will be able to understand the texts in their fields of interest including technical terms, and even those that require expertise, with the help of a dictionary.

2) Students will be able to read and understand the complex ideas of both abstract and concrete issues.

3) Although having difficulty in infrequently used words and phrases, students can benefit from a comprehensive vocabulary.

4) Students will be able to understand the essays and reports of current issues that reflect the arguments and perspectives of the authors.

5) Students can communicate in a fluent and natural way to a certain extent without having much difficulty in understanding a native speaker of English.

6) Students are able to express themselves in written and verbal form in a detailed and understandable manner on different topics, and present their own perspectives by discussing the positive and negative aspects of a subject.
