

Dentistry (English)			
Bachelor	TR-NQF-HE: Level 6	QF-EHEA: First Cycle	EQF-LLL: Level 6

Course Introduction and Application Information

Course Code:	UNI014		
Course Name:	Introduction to New Media		
Semester:	Fall		
Course Credits:	<div>ECTS</div> <div>5</div>		
Language of instruction:	English		
Course Condition:			
Does the Course Require Work Experience?:	No		
Type of course:	University Elective		
Course Level:	<div> <div>Bachelor</div> <div>TR-NQF-HE:6. Master`s Degree</div> <div>QF-EHEA:First Cycle</div> <div>EQF-LLL:6. Master`s Degree</div> </div>		
Mode of Delivery:	Face to face		
Course Coordinator:	Dr. Öğr. Üy. SADI KERİM DÜNDAR		
Course Lecturer(s):	Dr.Chein Yang Erdem		
Course Assistants:			

Course Objective and Content

Course Objectives:	This course aims to develop critical conceptual frames for understanding how new media technologies are used to actualize communication processes in various areas of everyday life.
Course Content:	This course offers a comprehensive approach to the rapidly evolving new media technology and environment. Conceptualizing new media as new forms of participatory culture, sources of

information and entertainment, platforms for social engagement, a means for artistic expression, and tools of government, this course explores the influence of new media technology in transforming culture and society. Topics may include, social media, digital game, digital media art, digital and citizen journalism, digital transformation of television and cinema, and social control in the digital age, and others.

Learning Outcomes

The students who have succeeded in this course;

- 1) Identify the defining characteristics of new media.
- 2) Demonstrate understanding of the new media landscape.
- 3) Demonstrate understanding of the economic, social, political, and cultural implications of new media technology.
- 4) Identify and discover the range of areas in which new media technology can be applied to enhance communication.
- 5) Formulate innovative ideas to develop, incorporate, and implement new media technology that aim at enriching culture and society.

Course Flow Plan

Week	Subject	Related Preparation
1)	Introduction to Basic Photography	
2)	What is new media?	
3)	Media convergence	
4)	Participatory culture	
5)	New Media as a source of information	
6)	New media as a source of information	
7)	Midterm	
8)	New media as entertainment	
9)	New media as entertainment	
10)	New media as a means for artistic expression	
11)	New media as a means for artistic expression	
12)	New media as a form of government	
13)	Student Presentations	

14)	Student Presentations
