

Dentistry (English)			
Bachelor	TR-NQF-HE: Level 6	QF-EHEA: First Cycle	EQF-LLL: Level 6

Course Introduction and Application Information

Course Code:	UNI106		
Course Name:	Global Business Trends		
Semester:	Spring		
Course Credits:	<div>ECTS</div> <div>5</div>		
Language of instruction:	English		
Course Condition:			
Does the Course Require Work Experience?:	No		
Type of course:	University Elective		
Course Level:	<div>Bachelor</div> <div>TR-NQF-HE:6. Master`s Degree</div> <div>QF-EHEA:First Cycle</div> <div>EQF-LLL:6. Master`s Degree</div>		
Mode of Delivery:	Face to face		
Course Coordinator:	Prof. Dr. GÖKHAN TORLAK		
Course Lecturer(s):	Dr. Öğr. Üy. Gülsüm Gökgöz		
Course Assistants:			

Course Objective and Content

Course Objectives:	To understand the impacts of globalization and to develop the ability to think strategically about global business issues. To equip students with the basic facts of globalization, the economic underpinnings of globalization, and the major trends and institutions shaping the global economy and the future of international management. To understand macroeconomic concepts and issues, the role of government policies in determining macroeconomic outcomes, and the implications of the economic environment for global and international business. To provide students with a
--------------------	--

	framework for assessing a country's prospects for global business and its competitiveness in the global business and economic environment. To learn to assess the business environment in other countries, including economic and financial structures, institutions and institutional voids, business practices, regulatory systems, and cultural and social conditions.
Course Content:	Global business trend from past to today, the history of business, industry revolutions, industry 4.0, digitalization and the new business models and trends in the new century

Learning Outcomes

The students who have succeeded in this course;
