

Dentistry			
Bachelor	TR-NQF-HE: Level 6	QF-EHEA: First Cycle	EQF-LLL: Level 6

Course Introduction and Application Information

Course Code:	UNI110		
Course Name:	Sustainable Development		
Semester:	Fall		
Course Credits:	<div>ECTS</div> <div>5</div>		
Language of instruction:	Turkish		
Course Condition:			
Does the Course Require Work Experience?:	No		
Type of course:	University Elective		
Course Level:	<div>Bachelor</div> <div>TR-NQF-HE:6. Master`s Degree</div> <div>QF- EHEA:First Cycle</div> <div>EQF-LLL:6. Master`s Degree</div>		
Mode of Delivery:	Face to face		
Course Coordinator:	Dr. Öğr. Üy. PINAR ÖZUYAR		
Course Lecturer(s):	Pinar Özuyar		
Course Assistants:			

Course Objective and Content

Course Objectives:	Regardless of their field of study, it is aimed that students will be endorsed with a basic understanding of sustainable development aiming to keep in mind this understanding throughout their programs.
Course Content:	This course deals with the concept of Sustainable development, which is the organizing principle for meeting human development goals while simultaneously sustaining the ability of natural

systems to provide the natural resources and ecosystem services based upon which the economy and society depend. Sustainable development differs from the notion of sustainability by adding in the 'future' factor. Although sustainable development is a huge topic with many subsections, the course aims to establish the ground for the understanding of the concept via the relevant terminology and an coverage of the global Sustainable Development Goals.

Learning Outcomes

The students who have succeeded in this course;

- 1) Define and explain the principles sustainable development.
- 2) Understand the basic terms regarding sustainable development.
- 3) Recognize and define the relevance of selected global issues and sustainable development
- 4) Define the scope and contents of UN sustainable development goals
- 5) Explain the current global status of the above-mentioned goals.

Course Flow Plan

Week	Subject	Related Preparation
1)	Basic Concepts: sustainable development, sustainability, GDP, Gini Index, HDI, etc.	To be given in class
2)	Basic Concepts: sustainable development, sustainability, GDP, Gini Index, HDI, etc.	To be given in class
3)	Basic Concepts: sustainable development, sustainability, GDP, Gini Index, HDI, etc.	To be given in class
4)	Basic Concepts: sustainable development, sustainability, GDP, Gini Index, HDI, etc.	To be given in class
5)	UN Sustainable Development Goals 1-17	To be given in class
6)	UN Sustainable Development Goals 1-17	To be given in class
7)	UN Sustainable Development Goals 1-17	To be given in class
8)	UN Sustainable Development Goals 1-17	To be given in class
9)	UN Sustainable Development Goals 1-17	To be given in class

10)	UN Sustainable Development Goals 1-17	To be given in class
11)	UN Sustainable Development Goals 1-17	To be given in class
12)	UN Sustainable Development Goals 1-17	To be given in class
13)	UN Sustainable Development Goals 1-17	To be given in class
14)	UN Sustainable Development Goals 1-17	To be given in class

Course - Program Learning Outcome Relationship

Course Learning Outcomes	1	2	3	4	5
Program Outcomes					
1) Has basic and up-to-date knowledge in the field of dentistry, follows scientific publications, and applies evidence-based data to his/her professional practice.					
2) Knows well and effectively uses devices, tools, and materials specific to diagnosis and treatment in the field of dentistry.					
3) Evaluates the knowledge in the field of dentistry critically, integrates it with the knowledge of disciplines in the field of health, uses it by analyzing and synthesizing it.					
4) Produces projects related to the field of dentistry, can work with other health disciplines, takes part as a member of the research team and evaluates and reports the results obtained at a scientific level.					
5) Uses information that will contribute to the dentistry profession during practice, takes responsibility, and produces solutions in unforeseen situations.					
6) Shares, compares, and exchanges dental knowledge with professional colleagues in social and scientific environments in written, verbal, and visual forms.					
7) Within the framework of social, scientific, and ethical values including patient					

privacy, communicates with patients and their relatives, knows all the characteristics of the patient, and recommends the most appropriate treatment with a patient-centered approach.	1	2	3	4	5
8) Follows technological developments, participates in national and international studies, and shares and presents own observations, experiences, and research to further advance dental practices.					
9) By adopting the principle of lifelong learning throughout the dentistry profession, follows current evidence-based dental knowledge and uses it during his professional practice.					
10) During dental practice, in cases such as abuse and addiction, performs the treatment by exhibiting the behaviors required by social ethics and legal rules, and collects and records the relevant data.					
11) Uses basic and current knowledge in the field of dentistry during professional practice for the benefit of society within the framework of national values and country realities.					
12) In natural disasters and emergency cases, takes the protective measures required by the dentistry profession; performs professional practices that benefit patients and society					
13) Generates ideas regarding health policy in dentistry, prioritizes individual and public health, and carries out preventive and therapeutic medical practices within the framework of scientific, ethical, and quality processes.					
14) Differentiates the signs and symptoms commonly encountered in the dentistry profession, makes a treatment plan and refers when necessary, and manages diseases and clinical situations regarding their urgency and patient priority.					
15) Can assume the leadership responsibility of the team he/she works for, manage it following scientific criteria, and support the professional development of the team.
