

Medicine			
Bachelor	TR-NQF-HE: Level 7	QF-EHEA: Second Cycle	EQF-LLL: Level 7

## Admission Requirements

Candidates must have a high school diploma or an equivalent school diploma and have received sufficient points from the Higher education institutions exam (YKS) or meet the required conditions in accordance with the regulations of the Higher Education Council regarding international student admission.

International students are accepted according to the internationally valid exam results such as SAT, ACT or secondary education graduation grades within the framework of the "Application, Admission and Registration Directive for Foreign Students". Detailed information on international student selection and admission can be found at <https://international.istinye.edu.tr/en/application-criteria>.

Undergraduate transfer of national and international students between Universities from inside or outside the University are regulated by the directive on Transfer of students between associate and bachelor's degree Programs in Higher Education Institutions, which is published in the Official Gazette dated 24/4/2010 and number 27561 and also by the regulations approved by University Senate.
