

Biomedical Engineering (English)			
Bachelor	TR-NQF-HE: Level 6	QF-EHEA: First Cycle	EQF-LLL: Level 6

## Admission Requirements

Student admission to the İstinye University Biomedical Engineering Undergraduate Program is made according to the score system (SAY) determined for Engineering Faculties, with the central examination conducted by the Student Selection and Placement Center (ÖSYM), within the framework of the rules determined by the Higher Education Council (YÖK). The admission of foreign students to the program is carried out according to the İstinye University Foreign Student Admission Directive. Exchange students coming from universities with bilateral agreements are accepted to the program according to the relevant agreement protocol.
