

Electrical and Electronic Engineering (English)			
Bachelor	TR-NQF-HE: Level 6	QF-EHEA: First Cycle	EQF-LLL: Level 6

Admission Requirements

The Electrical and Electronics Engineering department admits students through the Central Placement Exam conducted by the Student Selection and Placement Center (ÖSYM). Students are placed by ÖSYM based on their exam scores, university preferences, and the available quota of the department. Admission of international students is carried out in accordance with the principles for admitting international students. The acceptance of exchange students is based on bilateral agreements (Erasmus or Protocols) signed between Istinye University and partner universities. Guest students can enroll in courses offered in this program if approved by the relevant academic unit. For programs conducted in English, students must also demonstrate proficiency in the English language to register for courses.
