

## Chemistry (English)

Bachelor

TR-NQF-HE: Level 6

QF-EHEA: First Cycle

EQF-LLL: Level 6

### **Aim of the Programme**

The aim of the program is to educate graduates who can manage and consult on national and international projects in the field of chemistry or related areas. These graduates should be capable of developing products incorporating new technologies, conducting original and interdisciplinary research activities with a sufficient scientific background, and be prepared to pursue academic research for a future academic career.
