

Anesthesia (Evening Education)			
Associate	TR-NQF-HE: Level 5	QF-EHEA: Short Cycle	EQF-LLL: Level 5

## Program Information

The aim of Anesthesia Program is to perform technical technical planning studies on the theoretical and practical substructures of anesthesia, intensive care, pain units and the devices used in anesthesia and intensive care units. In this program, the physician will be assisted in anesthesia procedures in the operating rooms and trained. Increased employment in the health sector also increases the need for this program. In the scope of the program, developed anesthesia devices and different anesthesia technics are designed for students. The language of instruction is Turkish.
