

Dialysis			
Associate	TR-NQF-HE: Level 5	QF-EHEA: Short Cycle	EQF-LLL: Level 5

Program Information

For the first time in 2017-2018 academic year, Istinye University Health Services Vocational School Dialysis Program started to accept students. Dialysis Associate Program provides 2-year formal education. The language of instruction is Turkish. The Dialysis Program educates technicians who will provide dialysis services to patients with renal failure due to chronic kidney diseases.
