

Dentistry (English)			
Bachelor	TR-NQF-HE: Level 6	QF-EHEA: First Cycle	EQF-LLL: Level 6

Vision and Mission of the Program

The vision of our faculty is to be one of the world's leading dental faculties in innovation and technology development in the field of dentistry, aiming for excellence in education, research and health service delivery. Since its establishment, our aim as Istinye University Faculty of Dentistry; to create a student-centered dentistry faculty that combines scientific-based, evidence-based and qualified dentistry education with research culture and technology, where there is a strong communication between academicians and students, that can think critically and creatively, internalize scientific perspective, respect people and humanity, and add value to their profession, and also to train leading dentists and to carry out scientific researches that contribute to the progress of humanity and produce universal knowledge.
