

Electrical and Electronic Engineering (English)

Bachelor

TR-NQF-HE: Level 6

QF-EHEA: First Cycle

EQF-LLL: Level 6

## Vision and Mission of the Program

The vision of our Department of Electrical and Electronics Engineering is to cultivate engineers who are competitive and sought after at the national and international levels in research, development, and industrial applications.

The mission of our Department of Electrical and Electronics Engineering is to provide a solid educational foundation based on the principles of basic sciences and engineering, to educate our students to play an active role in the production of knowledge and technology, to possess ethical values, and to serve society as engineers.
